

72 Pape

July 23, 2000 Service Changes

Route extended

The 72 Pape route will be extended to Union Station during the peak periods and midday from Monday to Friday. This extension will replace the 121 Front-Esplanade route east of Union Station. Buses will serve the same stops on the Esplanade as are now served by the 121 Front-Esplanade route, and at Union Station will serve the bus stop located on the south side of Front Street, just east of Bay Street.

This extended service will replace the present 72A (Pape Stn-King via Commissioners) and 72C (Pape Stn-Cherry St via Commissioners) branches. Buses to Union Station will run every 17 minutes in the peak periods and every 24 minutes in the midday. There will be no change to service on Saturdays, Sundays, or holidays.

With this change, no scheduled service will use the off-street loop at King Street & Parliament Street, and service will be removed from the on-street loop on Villiers Street and Munition Street.
