Effective October 15, 2000

Route change - Customer service report

The routing of the northbound service in the afternoon peak period will be changed. The routing will be simplified in the Wynford Heights area and will no longer operate on Wynford Heights Crescent or to the cul-de-sac on Concorde Place. Some customers will have a longer walk from the nearest bus stop to their destination and others will have a shorter travel time. Overall, the total travel time will be reduced for the majority of customers. This change will begin at the divisional level on October 16, 2000. The routing will not change in the morning peak period, and buses will continue to serve the stops on the Concorde Place cul-de-sac and on Wynford Heights Crescent.
