

DWA

Designated Waiting Area

- DESIGNATED WAITING AREAS are located on all subway and Scarborough Rapid Transit platforms.
- A DWA has brighter lights as well as an intercom connected to the station collector, closed circuit TV camera, public telephone and a bench for your convenience and safety.
- The DWA is located where the guard's car stops in the subway and where the driver's car stops on the SRT.

Ride the Rocket.

“We’re serious about your safety.”
