## 512 St Clair

512 St Clair Station  
512 Lansdowne

## Temporary service during TTC track construction Effective Sunday, October 16, 2005

All service on the 512 ST CLAIR route will be operated by buses, from October 16 to November 19, 2005. Buses will operate every two to six minutes during the daytime, and every six to ten minutes in the evenings. Buses will operate from St Clair Station to Keele Street, serving St Clair West Station in both directions. Buses will serve the curbside stops, east of Spadina Road and serve the island stops, west of Spadina Road. Buses on the 512 ST CLAIR route and the 312 ST CLAIR overnight route will operate to the lower level Pleasant Boulevard bus terminal at St. Clair Station.

**Schedules are posted at all transfer points along this route.**
